ABOUT ME

I am a dedicated Civil Engineering professional with a diploma in Civil Engineering, earned in 2015, and a BS degree in Social Work, awarded with a gold medal in 2024. I have practical experience in the field, having worked as an Assistant Surveyor at Almustafa Digital Survey Company from March 18, 2019, to July 24, 2020. Before that, I served as a Site Engineer with M/S Aman Ullah Khan & Co. from July 15, 2015, to January 2017. My experience has provided me with a solid foundation in civil engineering, particularly in site management and digital surveying. I am highly skilled in problem-solving, adaptable to changing project demands, and proficient in time management. Additionally, I possess strong IT skills, excel in teamwork, and have demonstrated leadership abilities in managing projects and guiding teams to success.
