INTRODUCTION

A dedicated Health, Safety and environment (HSE) professional with over 5 years of experience in managing and implementing safety protocols, ensuring compliance with industry regulations, and promoting a culture of health and safety across various sectors. Adept at conducting risk assessments, developing safety programs, and leading training initiatives to mitigate hazards and improve workplace safety. Known for a strong ability to collaborate with teams, drive continuous improvement, and deliver effective HSE solutions that protect both employees and the environment.

CURRENT JOB:

Assumed the role of HSE Officer

With Ammico International Contracting Co, Ltd (QIDDIYA PERFORMING ART CENTER, RIYADH KSA)

(Jan, 2025 to till date).

Duties and Responsibilities: -

- Monitor the observance of site safety rules.
- Conduct regular inspections and risk assessment to identify potential hazards and recommend corrective actions to ensure a safe working environment.
- Ensure there is an effective company policy for health and safety and that all employees, contractors and temporary workers are made aware of their individual responsibility.
- Develop and implement safety protocols and procedures specific to piling operation.
- Investigate any accidents or near miss incidents to determine root cause.
- Develop and maintain emergency response plan tailored piling operation.
- Maintain comprehensive records of all safety related activities, including training sessions, incident reports and inspection findings.
- Design, implement and conduct training programs and sessions for employees to raise awareness about workplace hazards, safe work practices and emergency procedures.
