### Projects Senior OH & S SUPERVISOR

**Al-ayuni investment and contracting Co.)** | June 2025

**Job Overview:** The role involves leading occupational safety and health (OSH) initiatives to ensure compliance with Saudi and international HSE standards. The position requires proactive risk management, coordination with stakeholders, and implementation of safety programs to maintain a safe workplace during construction activities within a culturally significant and high-profile giga-project under Diriyah Gate Development Authority (DGDA).

#### Key Responsibilities:

- Ensured full compliance with Diriyah Company's HSE requirements, including DGDA Health, Safety & Environment standards, sustainability goals, and cultural heritage protection guidelines.
- Coordinated with PMC / CSC (KBR, ELLISDON, X ARCHITECT, HCS) to implement project-specific HSE procedures, method statement reviews, and risk assessments in line with international best practices.
- Monitored adherence to PMC Mirage Leisure & Development's HSE reporting protocols, KPIs, and performance monitoring tools, ensuring timely submission of audits, inspections, and dashboards.
- Led risk assessments (TRA/JSA) for high-risk construction activities (excavation, scaffolding, heavy lifting, confined spaces, hot works) and enforced mitigation measures.
- Conducted incident/near-miss investigations and prepared root cause analysis reports for client, consultant, and PMC review, ensuring effective close-out of corrective actions.
- Overseeing workplace hygiene, managing welfare facilities, conducting inspections, delivering awareness training, and maintaining records to safeguard worker health and wellbeing.
- Delivered and facilitate HSE inductions, toolbox talks, and specialized safety training to the workforce and Subcontractors, strengthening overall safety culture on site.
- Developed and supervised emergency preparedness & response plans (fire drills, medical emergencies, evacuation procedures) in alignment with DGDA and international standards (ISO 45001, OSHA, NFPA).

### HSE Sr. Engineer

**Shanghai Electric Corporation Group (SECG) - Dubai UAE | June 2023 – May 2025**

*Project: Sheikh Rashid Al Makhtdoom Solar Power Plant-Al Qudra*

**Job Overview:** As the Site Safety Lead at one of the world's largest solar photovoltaic power projects, I spearhead all aspects of Health, Safety, and Environmental compliance across multi-disciplinary operations. My role focuses on implementing international HSE standards, enforcing regulatory adherence, and fostering a proactive safety culture among a diverse workforce

**Key Responsibilities:**

- Led HSE operations for a 900 MW solar power plant, ensuring compliance with ISO 14001, ISO 45001, and Dubai Municipality EHS regulations.
- Developed, implemented, and monitored HSE policies, risk assessments, and Safe Work Method Statements (SWMS) across all project phases.
- Conducted regular HSE audits and inspections, identifying and resolving non-conformities to maintain a zero-incident work environment.
- Responsible for promoting worker health and welfare by ensuring hygienic conditions, maintaining compliant facilities, conducting audits, providing training, and enforcing standards set by UAE regulations (DM Cops)
- Delivered induction training and toolbox talks to multicultural teams, emphasizing hazard identification and preventive safety measures.
- Coordinated emergency response drills, incident investigations, and root cause analyses, driving corrective and preventive actions.
- Engaged closely with subcontractors and consultants (e.g., DEWA, Tractebel, Third-Party Auditors) to ensure cohesive HSE implementation.
- Maintained comprehensive HSE documentation and submitted reports to client and statutory bodies in a timely and accurate manner.
- Ensured alignment with client, contractor, and authority expectations through strategic planning, cross-functional coordination, and continuous improvement initiatives.
- Promoted behavioral safety and initiated incentive programs to increase HSE awareness and accountability across the site.

**Project HSE Engineer**

**Control Contracting & Trading Co. (CCTC), ADNOC OFFSHORE Abu Dhabi, UAE | Jan 2022 – May 2023**
