

HAFIZ ABDUL WAHAB

HSE MANAGER, PGD IN OHS, BE CIVIL, CERTIOSH, LV 6, NEBOSH

Email: malikwahab660@gmail.com; Mobile: +971 56 9620352

APPROVALS - RTA DUBAI, OSHAD, DEWA, EMAAR, DAMAC, DDA, TRAKHEES, EXPO 2020, AL DAR & DUBAI AIRPORT ENGINEERING PROJECTS.

Summary Biography:

I am a seasoned HSE Manager with 15 years of extensive experience managing health, safety, and environmental aspects across multiple projects. I have successfully handled projects for multinational companies, both as a consultant and contractor, ensuring compliance with industry standards and fostering a culture of safety. My experience spans a diverse range of sectors, where I have consistently delivered results through effective program implementation, team leadership, and proactive risk management. My ability to navigate complex safety challenges has been instrumental in maintaining high safety standards and achieving project goals. I possess extensive exposure to major development ventures including Live Road Diversions and Marine projects, mega infrastructure programmes, road and drainage, significant G+3 constructions. I have around 3 years in Engineering consulting roles.

Projects Worked on

- Infrastructure, Bridges & Marine project
- Road Construction, Live Road Extension, and bridge construction projects.
- Infinity Bridge Project
- Mega infrastructure projects.
- Multiple projects of Enabling & grading works
- Irrigation pumping station, installation, and control Works.
- Chilled water network projects.
- Residential buildings and mixed used developments.
