SUMMARY

I am an experienced HSE Supervisor with background in overseeing health, safety, and environmental operations. My expertise includes risk assessment, safety audits, incident investigation, compliance management, and employee training. I excel at utilizing effective communication skills to produce reports, presentations, and safety procedures. I aim to use my skills to contribute towards the achievement of organizational objectives and the promotion of a positive HSE culture. Looking forward to expanding my capacity with reputed companies in a managerial role to drive continuous improvement in HSE performance.

EXPERIENCE

Al Yamama Company for Trading and Contracting October 2023 currently working

HSE Supervisor – Dammam Water Project

- Coordinated with Client and delivered Permit to Work (PTW) on all sites to ensure controlled and safe working conditions.
