## ABOUT ME

An experienced Health & Safety Officer with an M.Phil. in Microbiology and strong expertise in implementing HSE compliance across construction and industrial projects. Certified in NEBOSH, IOSH, OSHA, and Fire Safety, with a proven ability to manage workplace risks and enforce safety policies. Skilled in hazard identification, risk assessment, and conducting audits to ensure adherence to safety regulations. Proficient in delivering safety inductions, toolbox talks, and training programs that promote a safe work culture.

## WORK EXPERIENCE

### Health & Safety Officer

**Axon Group – Abu Dhabi, UAE**

2025 – Present
